Bred on Sept. 27, 2008 to KTB7 All You Want 1-5 and due to farrow on Jan. 19, 2009

This one will get you all excited! Directly from the heart of the Schafer keeper pen, the 2008 Foundation Female offers unlimited genetic potential and unbelievable earning power. From an extremely deep litter featuring the \$3,500 NBS Hog College Gilt, her excellent design, soundness of structure, width, underline quality, stoutness of bone and lean muscle shape will be admired by many. Being especially attractive in her makeup, she has the ability to produce top quality seedstock and show hogs. Her impressive ancestry includes the \$13,500 Head Of The Class and CC4 Dr. Hook, the 2005 WPX Champion. The Darlene sow family has high maternal indexes in the Shaffner and Keyser herds. Mated to “**All You Want**,” the 2008 STC Reserve Premier Sire and sire of 3 of the 4 top-selling boars and Champion Jr. Show gilt at that event, will make her litter exciting to watch.

Combining all of the traits needed to be competitive in today's Berkshire circles, this Foundation Female's sister had a 4.4% IMF at Austin, and was the talk of the Mower County Fairgrounds before and after she sold. This leaves no doubt that this female may be one of the elite purchases ever in the Berkshire breed. Not only deep in genetic power, she is also represented by a family that knows the importance of youth education programs and it is Schafer's sincere belief and hope that this donation will help fund current and future Team Purebred events.
